THE ART OF PAMPERING CHILDREN  
IN THE HEART OF A PARADISE

The Royaume des Enfants team offers a unique experience for children aged 2 to 12, with a multitude of creative and sporting activities. Whether through workshops, outdoor games or even golf activities, everything is designed to stimulate their imagination and their taste for adventure. The aim is simple: to offer children a safe and stimulating environment, where they can have fun while developing their curiosity and talents.

At Terre Blanche, every member of the family will find something to suit them: fun for the children, but also moments of well-being for the parents in an exceptional setting.

**Because at every moment,  
your family deserves the best.**

## OUR « NO SCREEN » VALUES

Reconnecting children with what's essential! Children are invited to explore, create and play together, away from the pixels. But don't worry, if they feel like racing Mario Kart, they can come and challenge us to this iconic game! We're unbeatable! But don't hesitate to give it a try!

**So, are you ready for the adventure ?**

# The Kingdom of your children

At le Royaume des Enfants, each area has been carefully designed to meet the desires and rhythms of your adventurers.

From boundless energy to moments of calm, everything is brought together for a day rich in discovery and fun, where every moment becomes an unforgettable adventure.

## THE GREAT HALL

This multi-purpose space is designed to host art workshops, gatherings and moments of sharing, where every child can freely express his or her imagination.

## THE IMITATION PLAYROOM

So that the little ones can become BIG! They have a multitude of imitation games at their disposal: dinette, craft workshop, wooden train circuit, dolls...

## THE TERRACE & POOL

The outdoor terrace is a great place for older children to enjoy a game of football. As for the swimming pool, it's the place to be in fine weather. Open from the beginning of May to the end of August, it's sure to keep the kids entertained alongside the activities on offer. (Don't forget your swimming costume!).

## THE NAP ROOM

In this starlit room, little ones can enjoy a moment's rest after a hectic day.

# A typical day !
